# ABOUT PURE MILK

# AND ITS PRICE

Producers Cannot Give Proper Attention to Business at Price They Are Now Receiving, and Make a Living.

Health Officer J. W. Jackson raised the question of a pure milk supply for Barre before the city council the other Barre hefore the city council the other evening, and in doing so made references to two places where everything possible is done to keep the milk pure and whole some. Dr. Jackson's remarks were brought to J. G. Morrison's attention, to which he replied as follows, in a letter to The Times:

"The favorable mention of the sanitary conditions at the Morrison Farm as reported by Health Officer Dr. J. W. Jackson, is certainly very gratifying to

Jackson, is certainly very gratifying to me, and I trust our efforts are being appreciated by the general public. I have never considered profits in conduct-ing our milk business but have insisted upon having everything possible done to improve the quality of our product and have paid out more money than received in order to give our customers wholesome, rich milk and cream. The

health laws demand."

Mr. Morrison's communication is in line with the temarks of Prof. S. C. Prescott of the Boston Institute of Technology, who said in an address Saturday on the pure milk question, "We must make ourseles and our friends believe that it really pays to get good milk, even if they have to pay more for it. I do not think it is possible to sell clean milk in the city of Boston for less than ten cents a quart."

#### YALE STUDENT SHOT.

#### Police Say It Was a Case of Suicide.

New Haven, Conn., May 10.—Arthur Haserot, a Yale senior, of Cleveland, O., was found shot to death in his room in Welch hall, one of the campus dor-mitories, yesterday, and an investigation into the case is being conducted. Medi-cal Examiner Bartlett stated that he believed death was the result of an cal Examiner Bartlett stated that he believed death was the result of an accident or suicide. Farther than that train pulled out of the yard amid shouts he would not discuss the case. Hase and hurrahs. he would not discuss the case. Haserot's body was found by one of his
roommates and after it was viewed by
the medical examiner, was removed to
the undertaker's. The case is being kept
quiet. A revolver was found near Hasequiet. A revolver was foun

said, had there been a time when he

suspected that his roommate contem-plated taking his life.

The body of the dead student was found on the floor at the foot of a window seat and it is believed that he shot himself while on the window seat and that he few to the floor. There was but one empty shell in the revolv-er, but the bullet having entered Hase-rot's right temple, probably produced instant death.

#### RETURN ON HIS

# a Reception as Chicago Never Gave a President-Nearly Every Minute Is Full.

Chicago, May 10 .- High winds and wholesome, rich milk and cream. The producers and distributors cannot give proper attention to the details of the business for the price they are now receiving for their milk, if they are in the business to make a living. In my estimation, the first thing necessary to encourage the producers and dealers is to establish a price that will allow them to make the expenditures necessary to give to the public what the health laws demand."

Mr. Morrison's communication is in the weather bureau promises a warmer and a quieter atmosphere before the day is over. The president was scheduled to arrive at noon, and from then until midnight, with only an hour's rest, will be kept busy accepting such a strenuous welcome as Chicago never before gave a president. The programme includes a luncheon at the Auditorium hotel, reception at the Hamilton club, another at the Fine Arts building and a banquet at the Auditorium.

And a peculiar coincidence is that the necident happened just after the funeral of Freeman Sandborn, who died as the result of a fall last week. Mr. Lamberton is still alive, but no hope of recovery is entertained.

Mr. Lamberton who resides in the village went to the farm of his son. It appears that he was standing on the at the Auditorium.

# "BUMACHIE JOB" LAID TO THE TIMES

#### Attorney Hoar Thinks This Paper Be fuddled the Paving Assessment Decision and Misled

Readers.

To the Editor of the Times: I noticed in your paper of May 9th in great, glaring, gloating headlines that the city's contention in the famous paving case,

was sustained. Why did you attempt to be-fog, befuddle and mislead your readers by pub lishing such an article? Now I want easterly corner, on the first page, of

easterly corner, on the first page, of your paper, in the same spot and place that you published the other, so that the people may know the truth. The supreme court held that the proceedings of the city council, the actions of the street commissioners, to make it short, everything which the city and its officials did, from the beginning to the end, was absolutely null and void, and of no hinding force whatseever on the of no binding force whatsoever on the abutters. The Court held that it was so absolutely void that it did not even create a lien on the property of the

result of a fall last week. Mr. Lam-court held that the whole matter was berton is still alive, but no hope of so in-valid that it was not even necessary to discuss the constitutional ques Mr. Lamberton who resides in the tion. In other words every point in Mr. Lamberton who resides in the village went to the farm of his son. It appears that he was standing on the bridge to the barn when the barn door was blown against him. He was thrown down the bank, a distance of fifteen feet, and landed on a ledgy place. The accident was sten by the son, who made haste to go to his father's assistance. Dr. H. S. Carver was immediately sent for. He passed the Sandborn funeral procession on his way to the Lamberton

The only point that the city won was that equity was not the proper remedy, because the assessment was so utterly void it did not create any cloud upon the title of the abutting land owners. But when you consider that, it is a point in favor of the abutters, because if the actions of the city council were legal, it would create a lien, and it could then collect the assess-ments. But, however, when you look at it in another light, the City did not

cause, that said cause may be en-tered and filed as of the March term of the Washington County Court, 1904; that the answer of the defendants, also exceptions, demur-rer, immediate appointment and re-port of special master, or such proceeding as either party may inter-pose and present, may be entered and filed out of time; that a pro forma decree may be entered in said cause, and said cause passed to and argued at the May term of the Supreme Court, 1904. No objec-tion is to be made or entered by the city as to the misjoinder of parties, or that a bill in equity, is not the
